

A BRIDGE TO SOCIAL INVESTMENT

A CONFERENCE FOR CHARITIES
AND SOCIAL ENTERPRISES

Does your charity need to develop
its trading activities?

Are you planning to grow your
social enterprise?

Running a busy social enterprise or charity can be all consuming, why not take a day out to meet with likeminded people and find out what they are doing to address these challenges.

Join in the discussion about how our sector can contribute to Essex's economy and what social enterprises need to thrive.

Explore how different forms of social investment could help your organisation to develop and grow for greater social impact.

Find out about these opportunities through presentations from an exciting line-up of speakers, discussions in a series of workshops and opportunities to meet providers of social finance.
